

COMPANY PROFILE

THE PREFERRED MARINE ACCOMMODATION
CONTRACTOR
<http://www.seaquestent.com>

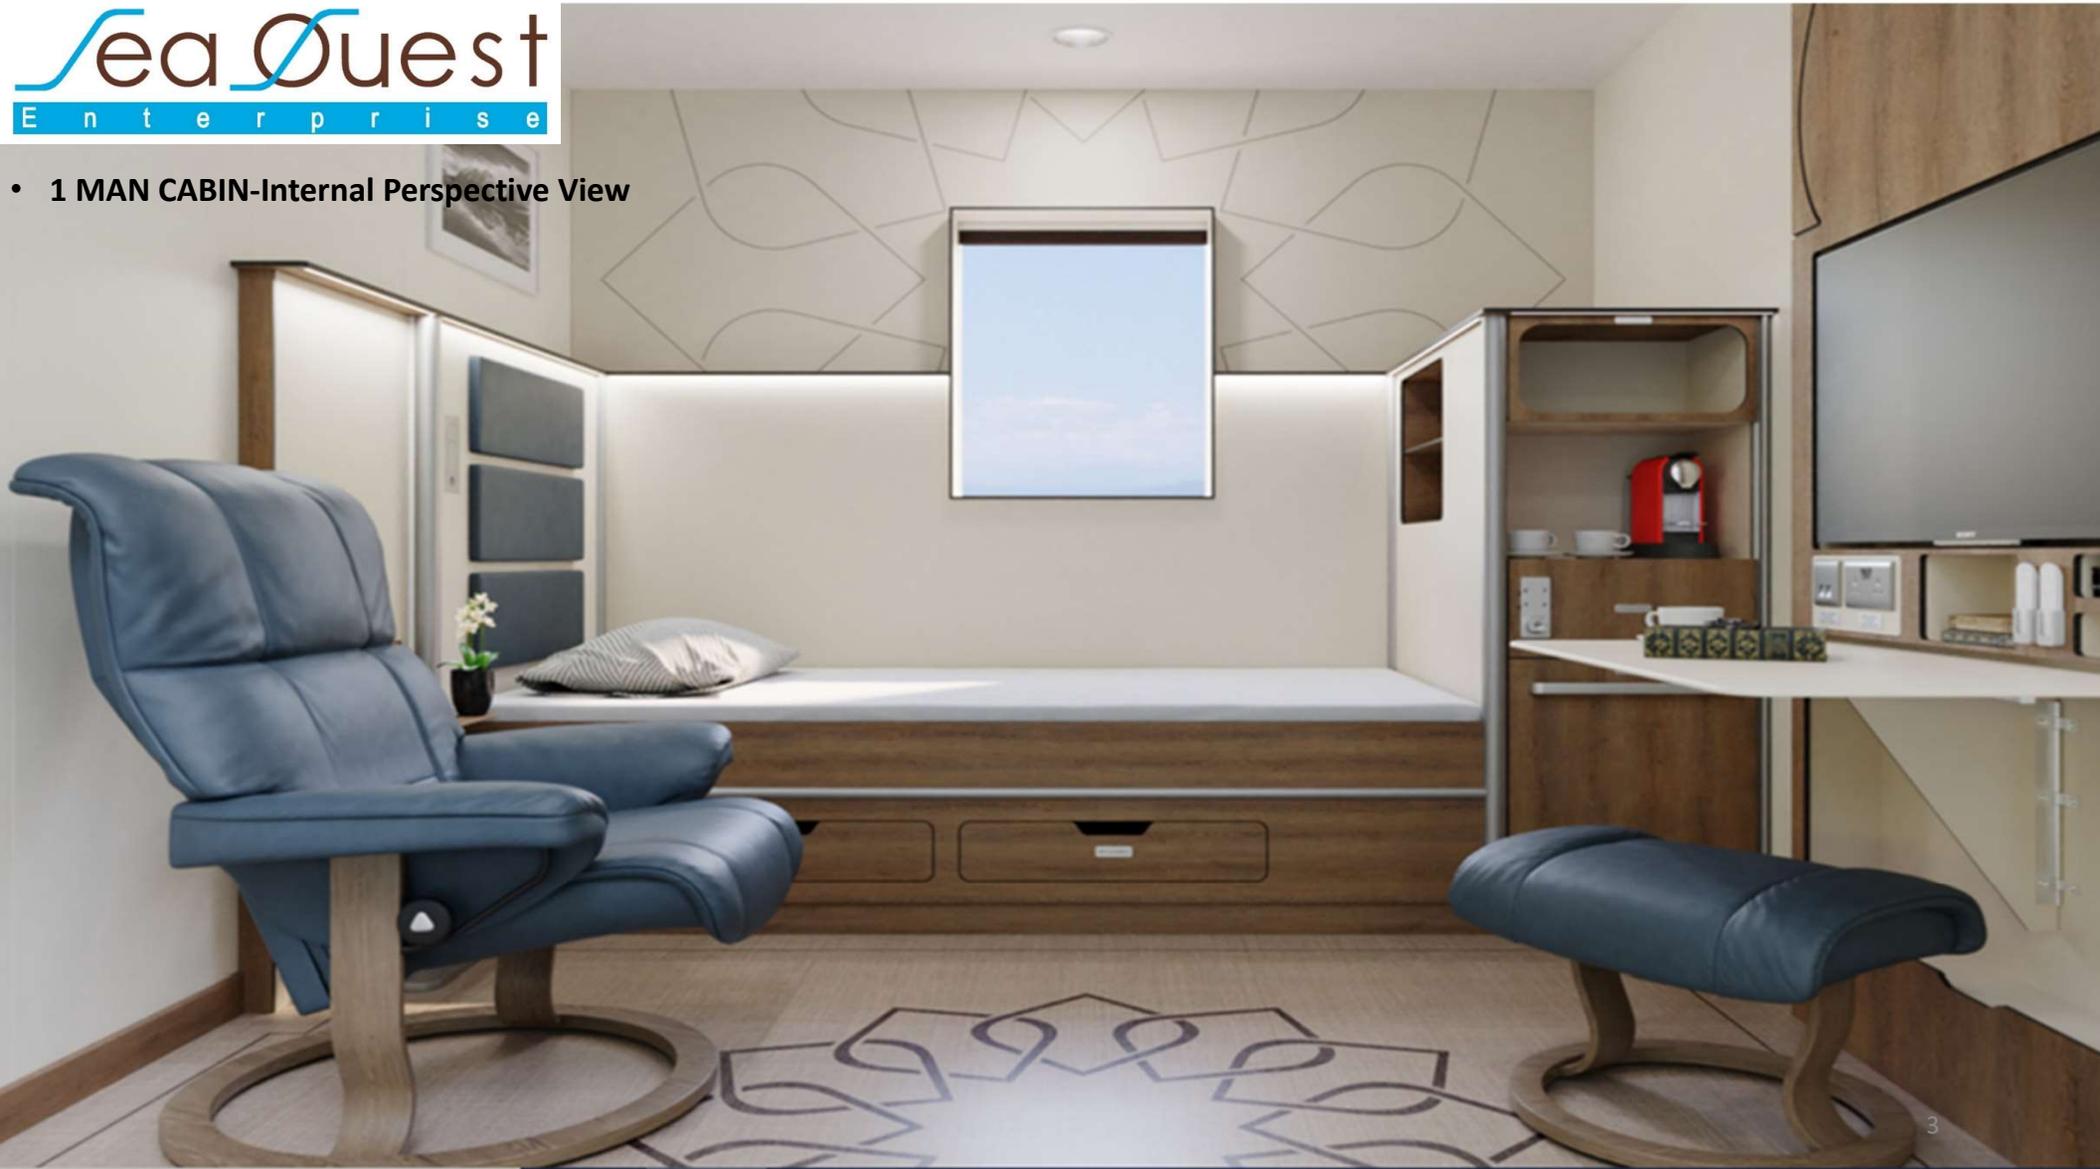

Summary of the project

- Awarded by McDermott Middle East in Year 2019 worth over USD 20 Million, Majan Project LQ/CCR is a Complete EPCIC project for a 2 Level Central Control Room Building with offices and a 5 Level Accommodation Block with total 200 Modular Cabins which consists of 4 Suites, 12 Foreman Cabins, 20 Single Man Cabins with Guest and 164 Single Man Cabins. The cabins are fitted with state of the Art cabin furniture from Geschwender Germany and many others public area spaces such as Main Atrium, Lounges, Gym, Prayers Room, Outdoor sports Court, Running Track, Auditorium/Cinema etc.
- The project is ongoing in Batam, Indonesia and schedule to be completed by Year 2024 before it is delivered to Marjan Oil Field in Saudi Arabia. Seaquest was subsequently awarded the Auxiliary Platform and Production Platform with the Architectural Scope worth more than USD 7 Million, we were also awarded the EPCIC of both package for HVAC scope as well with ongoing discussion to undertake the Plumbing scope of the project
