

Offshore Fabrication Company

PREPARING FOR THE FUTURE

WHO WE ARE

OFFSHORE FABRICATION COMPANY

OFC, a trailblazing Saudi Offshore Fabrication Company, is led by the visionary entrepreneur FAHHAD ALHARBI. Positioned strategically at the Ras Alkhair industrial port, proximate to the world's largest offshore field "Safaniyah," OFC stands poised to redefine industry benchmarks.

Distinguished for excellence, Offshore Fabrication Company specializes in serving major Oil and Gas and energy plants across Saudi Arabia. Our expanding team of seasoned engineers, coupled with cutting-edge equipment and advanced engineering and fabrication capabilities, is dedicated to supporting project owners with unparalleled expertise.

COMPANY BRIEF

OFC, a Saudi Offshore Fabrication Company, is driven by a commitment to excellence. We specialize in providing high-quality products and tailored solutions to meet the unique needs of our clients.

VISION

OFC aspires to lead the worldwide offshore fabrication industry, demonstrating a steadfast commitment to sustainability, decarbonization, and enhancing in-Kingdom value.

MISSION

At OFC, our mission is to pioneer sustainable offshore fabrication practices, embracing decarbonization and delivering products and solutions that surpass global standards. We are dedicated to maximizing in-Kingdom added value, empowering local communities, and contributing to the broader goals of economic diversification and sustainability..

CORPORATE PHILOSOPHY

Offshore Fabrication Company

**Compliance to Safety
Conformance to Quality
Adherence to Schedules
Consistent Customer Satisfaction**

Our Delivery Defines Trust.

OFFSHORE FABRICATION COMPANY

WHY OFC

FABRICATION & SUPPORT SERVICES

With a prime facility nestled within Ras Al Khair Port, we offer a comprehensive array of services, from top-tier logistics support to cutting-edge offshore solutions. Our commitment to excellence extends beyond industry standards – we prioritize local empowerment through initiatives like our welding school, aligning with the goals of Vision 2030.

What sets us apart is our services and our dedication to fostering growth within the community. By choosing OFC, you're not just selecting a service provider but partnering with a vision for sustainable progress and unwavering quality."

Complying with all safety requirements

Fahhad Saleh Alharbi, CEO
Offshore Fabrication Company Ltd
Ras Alkhair 37259
Saudi Arabia

Mr. Alharbi,

We are pleased to inform you that your company is included in the Saudi Aramco Supplier Information System under Vendor Code No. 10110234, and Plant ID 30014793 for the following products provided your company continues to meet relevant Saudi Arabian and Saudi Aramco standards.

9COM	Description
6000000663*	Structure, Steel

*Approved with limitations

This approval, however, should not be construed as a commitment by Saudi Aramco to purchase from you. Being approved as a supplier only grant your company the opportunity, along with other approved sources, to respond to requests for submitting proposals in accordance with Saudi Aramco's established policies and procedures. All purchase agreements and orders will be issued based on the name and address stated in your commercial registration (CR), as stated above.

Saudi Aramco wishes to remind you that being recognized as a potential supplier is a privilege which carries with it serious obligations and responsibilities to act in a legal and ethical manner. We wish to remind you of the Saudi Aramco Supplier Code of Conduct (SCOC) which you acknowledged. Failure to abide by the principles set forth in the SCOC can result in adverse actions being taken by Saudi Aramco against you including suspension of you as a supplier. Saudi Aramco also expects each of its suppliers to satisfy each of the requirements of any purchase agreements or orders which might be placed and to act responsibly and reliably as a supply chain supplier.

SQU-3-25

Please note that evidence of representation from your supply source(s) must be supported by letter(s) of confirmation stipulating the territorial coverage and specific product lines involved. Your supply sources must have been accepted as qualified suppliers of the range of materials that you wish to supply. It is also important that you advise us immediately of any changes in the agreements which you have negotiated with your supply sources and/or any changes in your contact information such as postal address, telephone and fax numbers.

Suppliers should apply for Saudi Aramco Supplier Portal access by forwarding a request to material-supplier-portal@aramco.com. The Supplier Portal is the main electronic business tool used between Saudi Aramco and its suppliers and serves to improve the flow and accuracy of key supply chain information.

For linking applicable 9CATs, please communicate with Standardization Engineer Moayad Abdulaziz Alajeeb or on Moayad.Alajeeb@aramco.com

For further information or assistance, please contact Faisal Aljehani on (013) 874-2943 or the Supplier Help Desk on (013) 874-2222 or on SupplierHelpDesk@aramco.com

Mohammed Alshuayl, Supervisor
Supplier Qualification Unit

It is the responsibility of the supplier to notify Saudi Aramco Supplier Relations Management Unit of the following:

1. Change of Name/ Address/ Owner(s)
2. Any change of the supplier location (sub sourcing fabrication of major components)
3. Discontinue of fabrication or supply of approved commodities (9COMs, 9CATs and/or MSGs)

RENTAL OF QUALIFIED MANPOWER

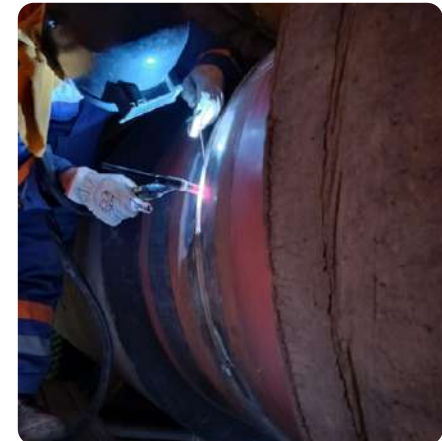

OFC provides professional and qualified manpower as per client requirements. (Aramco approved and Non Saudi Aramco Approved)

1. Fabrication & Production Crew

- Fabrication Supervisors / Foremen
- Structural Fabricators
- Pipe Fabricators
- Fitters (Pipe / Structural)
- Welders (6G / FCAW / SMAW / GTAW)
- Grinders / Gas Cutters
- Riggers (Level I, II, III certified)

2. Quality Control & Inspection

- QC Supervisors
- Welding Inspectors (CSWIP / AWS / BGAS)
- Dimensional Inspectors
- Painting Inspectors
- Piping Inspectors

WELDING SCHOOL

At the heart of our OFC yard lies a visionary initiative - a welding school dedicated to empowering Saudi locals. Committed to Vision 2030, our added value program fosters skill development, training the next generation of skilled professionals. This initiative not only enriches the community but aligns with Vision 2030's goals, empowering Saudi talents for a thriving future in the industry.

OFFSHORE FABRICATION COMPANY

OUR SUSTAINABILITY VISION

At OFC, sustainability is the cornerstone of our vision and operations. We are deeply committed to minimizing our environmental footprint while maximizing positive impacts. Our sustainability vision extends across every aspect of our business, from adopting eco-friendly practices in our operations to investing in innovative technologies that minimize carbon emissions and promote energy efficiency. Beyond environmental stewardship, we prioritize social responsibility by engaging local communities, fostering economic growth, and promoting a safe and inclusive workplace. Our sustainability vision isn't just a commitment; it's a promise to safeguard the environment, empower communities, and pave the way for a brighter, more sustainable future.
